Discussion:

Show some pictures of Christ serving others from the [Gospel Media](#) Library.

Read John 13:34

How did Jesus show love to others?

How does Jesus show love to me?

Who can I show love to?

What can I do to show love to those around me?

Why is it important to show love like Jesus did?

How do I feel when I show love to others?

When is a time that someone showed love to me? How did I feel?

When is a time I showed love to someone else? How did I feel? How did they feel?

(for a discussion that involves a more hands-on activity, cut the question strips above and hide them around the room. Take turns finding them, then reading and discussing!)
